

Fire Chiefs Report

May 2025

FYI

April was again a busy month. From the FDIC to Washington DC. I was able to attend Legislative Day at the State House, the FDIC in Indianapolis, and closed out the month at the US Capital in Washington DC pushing Special District legislation that will have a long-term effect on all SC SPD's. I found the legislators and their staff at the Federal level a pleasure to deal with, unlike the State legislators.

We also participated in a skills showcase at the Career Center, a mock interview panel, and attended the GC School Districts Technical School awards ceremony, where Belmont Fire Department was awarded Business Partner of the Year for the Donaldson Career Center.

Several of our EMT's helped with the Creer Centers 1st EMT skills check off and DHEC Testing.

Asst. Chief Sessions started the New Fire Chief series through the SCFA, and the State Association of Fire Chiefs. I wish this program had been around when I became a Chief.

A few important dates are coming up:

May 15, 2025 - SCSPD Leadership Program @ Doko Manor

May 22, 2025 – GC Fire Chiefs Vendors Night @ FT. Inn Community Center
